Our menu for this event is tailored to health conscious individuals. Each meal is vegetarian, and gluten-free options will be available. For anyone following diets such as Keto, Paleo, Whole 30, etc., you will be required to bring your own supplementary meal items. There is a fridge and microwave available for your use.

At this time, our food providers are unable to supply us with vegan alternatives. If you require vegan options, we can do so at the additional cost of \$50 for the weekend. Please indicate if you require vegan options, and include the \$50 with your payment.

CABIN ARRANGEMENT

Your registration includes the use of a single bed in a shared room. Most of our rooms contain two beds. Groups travelling together can request to share a room, and we will do our best to accommodate. We have a couple rooms available for parties of three, however your group may have to split up if they are already claimed. You're required to bring your own linens, blankets, and pillow, as well as any other sleeping aids (ear plugs, fan, etc.). Please be aware that our beds are not your posturepedic/tempurpedic/memory foam mattresses you may have at home. If you feel you may require extra padding such as a foam top, we suggest bringing it with you.

Please list all other attendees in your party. Your cabin arrangements will be made once we receive registration and payment from all those listed:
